NOTICE TO POLICYHOLDER **Risk Control Consultation Services**

California law (Labor Code Section 6354.5) requires workers' compensation insurers to maintain and provide occupational safety and health risk control consultation services to insured policyholder places of employment that may pose hazards. We are committed to helping California employers provide safe and healthy workplaces for their employees through loss control services appropriate to their individual needs. This notice is provided to you as a Church Mutual Insurance Company policyholder and describes our risk control consultation services, which are available upon request **at no additional cost to you**. These services include:

- **Workplace survey**
- **Written recommendations for improvement**
- **Evaluation of your risk control management program**
- **Review of injury records**
- **Assistance in developing a comprehensive safety and health program**
- **Accident and illness prevention training programs**
- **Industrial hygiene**
- **Industrial health**
- **Safety materials**
- **Risk management guidelines**

For more information about these services, contact:
