The Missouri Division of Workers' Compensation offers free safety services to Missouri employers through its Missouri Workers' Safety Program (MWSP). MWSP's main goal is to help employers control workers' compensation costs. The Division also certifies Missouri insurance carriers' safety engineering and management programs that are available to insureds upon request. Employers may contact MWSP at 573-751-3403, e-mail laborstandards@labor.mo.gov for more information about workplace safety or for a registry of safety consultants and safety engineers who are certified by the Division.
