

2019 1095-B Distribution

Section 6055 of the Affordable Care Act requires providers of medical plans classified as minimum essential coverage to file annual information, returns and statements regarding coverage provided (*Form 1095-B* to individuals and *Form 1094-B* Transmittal to the IRS). Due to the elimination of the individual mandate, the IRS issued *Notice 2019-63*, which allows GuideStone® to opt out of distributing *Form 1095-B* if:

1. **The reporting entity prominently posts on its website that *Form 1095-B* is available upon request. The post must contain an email and physical address for submitting the request and a phone number for questions.**
2. **The coverage provider furnishes *Form 1095-B* within 30 days of receiving a request from an individual.**

GuideStone will provide the following information on GuideStone.org regarding this change:

1. Printed copies of *Form 1095-B* will not be mailed unless a specific request is made.
2. A request for a copy of your *Form 1095-B* can be made [via email](mailto:Insurance@GuideStone.org) by contacting GuideStone at Insurance@GuideStone.org.
