Employee Only Plan - means only you, the employee, are enrolled in coverage.

Employee + Spouse Plan - means you and your spouse are enrolled in coverage.

Employee + Child(ren) Plan - means you and at least one child are enrolled in coverage. You can have more than one child enrolled in this plan, but not your spouse.

Family Plan - means you, your spouse, and at least one child are enrolled in coverage. You can have more than one child enrolled in this plan without the premium increasing.

HSA Employer and Employee Contributions

Because our medical plan options are all Health Saver accounts, each account is eligible for a Health Savings Account, also known as an HSA.

Please take time to educate yourself on all HSA Information by reviewing the [HSA - Health Savings Account](#) and [Annual HSA Contribution Limits Field Manual](#) pages.

Enrollment Form
