

Reliant.org 1.13.3 Release Notes

Summary

This release contains some new features to support Reliant's GDPR compliance. To assure users outside the United States of our excellent data-stewardship, when creating a profile, users are notified that we collect contact information for use in processing donations. Also, we assure users that we use cookies to provide the best experience when navigating the site. Reliant is committed to privacy and providing a secure browsing experience on our website. [Read our Privacy Promise](#) or [Learn more about GDPR](#).
