

# Event International/Mission Trip Set Up

These are instructions for Mission Trips and International Programs Set Up with a local church or ministry.

Please contact [events@reliant.org](mailto:events@reliant.org) if your church/ministry would like to partner with Reliant for international events such as mission trips to set up a meeting.

This mission trip joint ministry agreement form is given to church partners who would like to have Reliant administer their mission trips.

Mission Trip Joint Ministry Agreement

If your church is already set up to partner with Reliant for mission trips, you can submit these two forms to set up a new mission trip.
